MISSION STATEMENT**

**Assumption College School
is our Catholic learning community
where we strive for excellence
and we work to become respectful,
responsible individuals
who are ready to serve our world
in the spirit of Christ.**

Assumption College School is a Catholic learning community. The community consists of students, faculty, staff, and parents, all sharing a common vision – a vision based on Catholic values and practices. As lifelong learners, we strive to achieve excellence. We recognize that as we journey together as Christians, we promote mutual respect, and we serve the needs of each other. This perception of ourselves creates a community which respects the rights and responsibilities of each of its members.

The administration of Assumption College School extends an open invitation to all parents, guardians, and students to discuss problems which may arise from time to time concerning the behavioural expectations of the school community. It will always be the intent of our school to seek the cooperation of staff, students, and parents as we find solutions which will meet the needs of each individual.

Message from the Director of Education

Message to Families,

At the Brant Haldimand Norfolk Catholic District School Board, we endeavour to provide the highest quality education for your child – and believe that the journey is a shared experience of encounter involving the home, school and parish.

As we continue our history of excellence in student achievement, we do so in an inclusive environment that values the voice of our parents and community and that encourages participation through input and collaboration. Your local Catholic School Advisory Council and the Regional Catholic Parent Involvement Committee are both ways to become involved.

It is a great honour to be entrusted with the education of your child throughout his/her journey. Working together, we can ensure high levels of academic excellence, as well as the successful completion of the Ontario Catholic School Graduate Expectations.

Yours in Christ,
Mike McDonald

**CHAPLAINCY:
CREATING AN INCLUSIVE CATHOLIC SCHOOL COMMUNITY**

School Chaplaincy Leader – Ms. Debra Sheldrake, ext. 14259

For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another. We have gifts that differ according to the grace given to us.” (St. Paul’s Letter to the Romans 12:4-6). This passage speaks about sharing the amazing gifts, talents, abilities, and opportunities that God has blessed each one of us with. We are all interconnected to one another and we are called to use our unique gifts and work together for the benefit of each other, our community, and the world. God created you as you are and loves you as you are! Diversity and unity go together, we have unity in our diversity in belonging to one human family.

Chaplaincy nurtures a caring inclusive environment where all students are welcome and diversity is respected and celebrated; to build healthy, supportive relationships among the students and staff of the school community where the love and example of Christ is passed on through these relationships and the various activities and initiatives that are offered with the leadership of the chaplain. Chaplaincy provides many opportunities to all students for personal and spiritual growth and for leadership and friendship, such as retreats, student conferences, social justice and charity outreach, community-building activities, monthly gatherings, and prayer. Need to talk? Confidential pastoral support for students and staff in their spiritual lives and comfort in times of bereavement and personal crisis is also an important ministry of chaplaincy. The chaplain offers a safe and welcoming space for all students who are looking for a place to just be your awesome self and discover who God created you to be.

Our focus is on changing inappropriate, destructive and/or unsafe conduct within a progressive framework.

At Assumption College School, several interventions are used to change behaviour. These include, but are not limited to, a teacher-student conference, teacher-parent contact, and reparation for damages, restorative justice, counselling, detention, and suspension.

ATTENDANCE

The Ministry of Education states that attendance in classes is mandatory and that a student is excused from school only by reason of sickness or other unavoidable causes. It is our strong belief that parents should only excuse an absence when absolutely necessary. Consistent attendance is essential to student success.

All missed class work and assignments must be completed. **NOTE: These practices are essential to effectively monitor student attendance and to provide accurate attendance information on which to base the daily automated phone calls.*

GENERAL INFORMATION

1. Students are to be in homeroom at **8:50 am**
2. Absences must be reported by a parent or guardian, prior to 8:45am
3. **In a situation where a student does not provide parent contact or a note, or parent has not called, the student will be required to call home before the student will be permitted to resume classes. Any uncleared absences will be marked as TRUANT until a parent has cleared the absence.**
4. An automated phone message will be sent to the home to advise the parent/guardian of an unexplained absence.

ABSENCES FROM SCHOOL

Parents are expected to inform the School of an intended absence **prior to 8:45 am**

1. Phone: 519-751-2030 ext. 14227 (this line is available 24 hours a day, 7 days a week)
2. In the event that a parent has not reported the absence, a note must be provided upon student return.
3. Students who are 18 years of age may excuse themselves by signing out or calling in their absences. However, absences will be recorded as "Truant" (if unexplained absence) unless the student can provide proof of a valid reason for missing classes (i.e. Appt. slip) especially on assessment days.

NOTE: The student will be recorded as unexcused, until the absence has been explained.

SIGNING OUT DURING THE DAY: (for illness or appointments only)

1. Provide notice in writing or by phone to the attendance office before 8:45 am
2. Students must record their name and departure time on the "**Sign-Out Sheet**" in the attendance office. A Release Slip will be issued.
3. Students must be off school property immediately after sign out time or wait in the office until parent arrives.

NOTE: Absences not handled in this manner will be recorded as "Truant"

SIGNING IN DURING THE DAY: (for illness or appointments only)

1. Provide parental consent in writing or by phone to the attendance office
2. Student must record their name and arrival time on the "**Sign-In Sheet**" in the attendance office immediately upon arrival. An Admit Slip will be issued.

LATES: Late-to-class is defined when the student does not arrive on time and prepared for class. Seven (7) lates may result in administrative discipline, including, suspension.

EXTENDED ABSENCES FOR STUDENTS

1. While we fully support quality family time, taking students out of school for extended absences during school time is greatly discouraged.
2. Research shows that students who miss several classes over a semester often seriously compromise their success in school.

A Request for Temporary Absence form is to be completed if a student is going to be absent for 5 days or longer. The form must include the departure date, the end date, and the reason for the absence, and be delivered to the Vice Principal for signature.

FARM RELATED ABSENCES:

Farm contracts are available in the attendance office. Students and parents must advise a Vice Principal, in advance, detailing the length of the absence.

UNIFORM

The uniform we wear at Assumption College School is a vibrant symbol of “our Catholic learning community where we strive for excellence” as outlined in our Mission Statement. Therefore, the manner in which we wear our uniform indicates how authentic we are in our commitment to be both respectful and responsible.

THE EXPECTATIONS ARE:

- **IN SCHOOL = IN UNIFORM...INCLUDING LUNCH HOUR**

Consequences for uniform infractions – students will not be admitted to class.

If a student is missing a uniform part, the following options are available:

- **Call home** to have the missing uniform part delivered, or
- student is **sent home** to replace the missing uniform part, or
- select an item from the **used uniform** supply of Assumption College School (if available – note this supply is very limited)

Consequences for persistent uniform infractions – may include not being admitted to classes, loss of spirit wear and/or casual dress days, or suspension for opposition to authority.

Out of uniform pieces may be confiscated until the end of that school day. Excessive opposition to the school uniform policy may result in parent/guardian requirement to pick up the non-uniform items.

Important – all students:

- Hats should be removed immediately upon entry to the building.
- Headdress worn for religious purposes or head attire worn for culturally relevant hair care purposes are permitted. All other headdress/head attire should be removed upon entry.
- Theme jewelry that challenges our values is unacceptable (jewelry that suggests domination, promotes violence, alcohol or drugs is unacceptable).
- Non uniform sweaters and jackets may not be worn in the building. A direct route and timeliness is expected for their removal. They should be stored in the student’s locker.
- No backpacks or bags are permitted in any classroom or in cafeteria. Female students may bring a small purse to class. (No larger than 25 cm x 25 cm.)
- Black shoes are part of the uniform and must be worn in the building at all times (ie: during the school day includes lunch hour).

ONLINE ETIQUETTE

A friendly reminder that all online communication is expected to be respectful and appropriate. At BHNCD SB we encourage staff, students and parents to T.H.I.N.K. Before you post/tweet/reply ask yourself: Is it TRUE? Is it HURTFUL? Is it ILLEGAL? Is it NECESSARY? Is it KIND?

Online activity that is not in support of the Board's policies, procedures and appropriate online etiquette will be addressed by the school administrator. You may also be asked to take a conversation 'offline' if the content is not appropriate in a public forum.

LOCKERS

- Lockers are the property of the school and therefore, the school administration reserves the right to inspect lockers at its discretion. Lockers may be inspected to protect the health and safety of the school community.
- Students will be assigned lockers. Permission must be granted by the Vice-Principal, to change location.

ACADEMICS

Intellectual Honesty and Plagiarism:

Plagiarism is the use or close imitation of the language or thoughts of another, without referencing, in order to represent them as one's own original work (Growing Success 151). This also includes AI generated work and claimed as one's own.

- We expect intellectual honesty at all times.
- Consequences will be determined by the classroom teacher in consultation with the student's Vice Principal. Consequences for plagiarism may include, but are not limited to any combination of the following:
 - a. Verbal or written reprimand
 - b. Contact of parent
 - c. Student asked to redo assignment
 - d. Record an "Incomplete" for the assignment
 - e. Assign an alternate assignment
 - f. Suspension
 - g. Report in OSR
- Plagiarism may occur in a number of ways:
 - a. Copying all or part of another student's homework, assignment, essay, project, test, etc.
 - b. Having someone do all or part of your homework, assignment, essay, etc. and submitting the work as your own.
 - c. Superficial paraphrasing of someone's ideas or writing and submitting them as your own.
 - d. Using someone's ideas in your assignment, essay, etc. whether quoted directly or written in your own words, without proper acknowledgment (e.g. using internet material without acknowledging the source).
 - e. Submitting as your work an essay, project, assignment etc. obtained from an internet site.

NOTE: In order to avoid distraction, all cell phones in the classroom may be collected by the classroom teacher prior to tests and exams.
- Students found using cell phones/electronic devices will be addressed according to academic dishonesty.

Assumption College's Academic Dishonesty Policy reflects a continuum of behavioural and academic responses and consequences, based on at least the following four factors:

1. the grade level of the student,
2. the maturity of the student,

3. the number and frequency of incidents, and
4. the individual circumstances of the student.

If a teacher suspects academic dishonesty, the teacher will follow this procedure:

1. Consult with the Department Head to determine if there are sufficient grounds to proceed
2. If there are sufficient grounds, discuss the matter with the student and allow the student to provide explanation
3. Consult an administrator to determine whether there should be a consequence and what an appropriate consequence would be for the infraction
4. Inform both the student and the parent of the consequence

If a student is uncertain whether his/her efforts might constitute academic dishonesty, it is the responsibility of the student to check with the teacher before completing and submitting his/her assignment for evaluation.
