ASSUMPTION COLLEGE SCHOOL

Welcome to Assumption College

Assumption College School (ACS) opened in 1992 with fewer than 600 students. By 2000, the school had grown to over 1,600 students, resulting in the opening of Holy Trinity in Simcoe. When the schools split, enrollment dropped to under 1,100, but steadily increased to the point that over 1550 students attended the school. The increase in enrollment led to the construction of a new third floor in February 2008. The new facilities have allowed us to offer new and exciting programs to better serve our students.

Assumption College School is committed to providing the best academic experience for all students. As part of that commitment, ACS is now offering Advanced Placement (AP) programming. This program is internationally recognized and administered by the College Board. Focused on providing students with university experiences while still in the high school environment, the Advanced Placement program is an excellent opportunity to prepare to excel at university.

The program provides opportunity for students; starting in Grades 9, 10 and 11 with academic enrichment clubs including STEM, LEAP and Canadian World Studies Advisory Youth Council (CWAYC) and progressing in Grades 12 where students enroll in subject specific Advanced Placement courses (Calculus, Biology, Chemistry, Physics and/or English).

Benefits of Advanced Placement:

- Enriched learning experience in a class of like-minded students.
- Academic challenge.
- Acquire the confidence, study, writing, and problem-solving skills required for the rigors of university.
- Improves transition experience in the first year of university.
- More likely to complete a university degree.
- Possible university credit and/or advanced placement.

Assumption College School Athletics

We offer an extensive co-curricular program that includes over 40 sports teams, a vibrant music, drama, dance and visual arts department, and a wide variety of clubs. Our sports teams have won OFSSA medals, our Sears drama plays have made it all the way to the prestigious Provincial Showcase and our Mock Trial team has won 10 provincial championships.

Clubs and Extra Curriculars

Assumption College reinforces the teaching of our Catholic values with multiple opportunities for the entire school to participate in social justice initiatives. Our students learn the joy inherent in “serving our world in the spirit of Christ” through initiatives such as: Pennies from Heaven, Relay for Life, 30 Hour Famine, John Noble Home, and Mission Trips. We offer a large variety of extracurricular clubs and sports at Assumption College School. If there is a club you are interested in that you don't see here, please talk to your student council representatives about how to start one!
